2.3. Stranice I opis funkcionalnosti

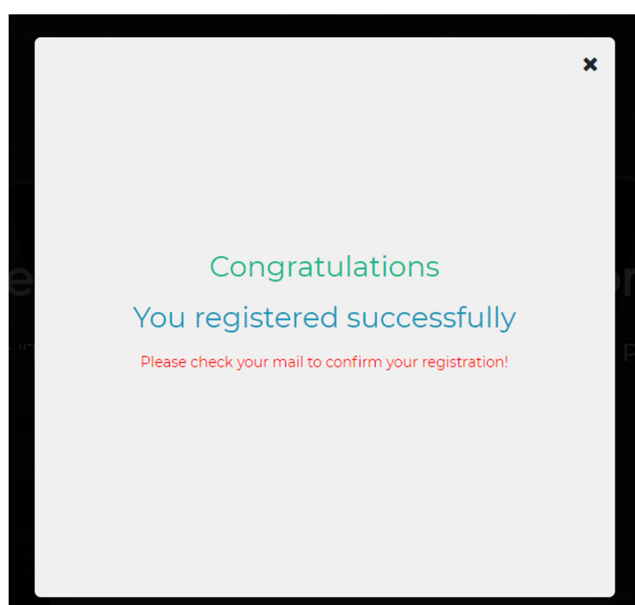

Prva sekcija koja je vidljiva pri ulasku na sajt je hero section koja ima dva slajdera. Navigacija između slajdera se vrši chevron dugmadima označenim na slici. Takođe, slajderi se sami smenjuju nakon 5 sekundi. Nakon 3

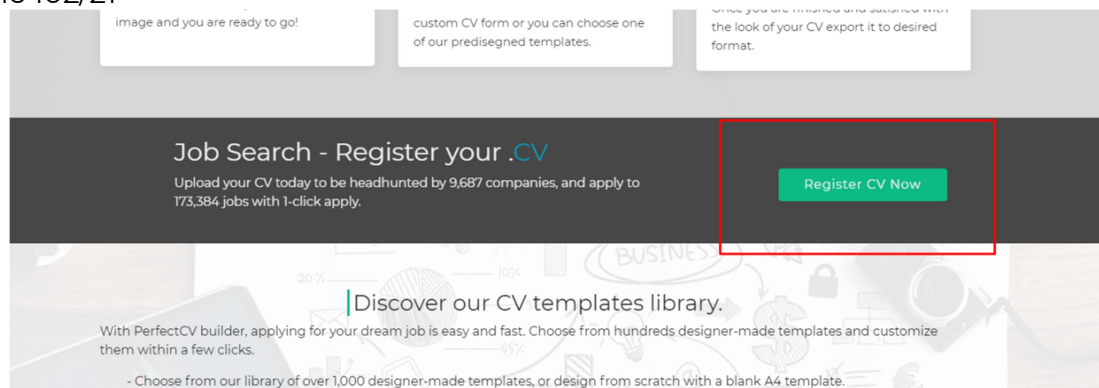

sekunde od ulaska na sajt u donjem desnom uglu se pojavljuje popup koji nas, kada ga kliknemo void na author stranu. Nakon 6 sekundi, ako ne kliknemo na popup on nestaje. Oba slajdera imaju dugmad, Design your CV. Klikom na ta dugmad otvara se modal koji sadrži formu za registraciju.

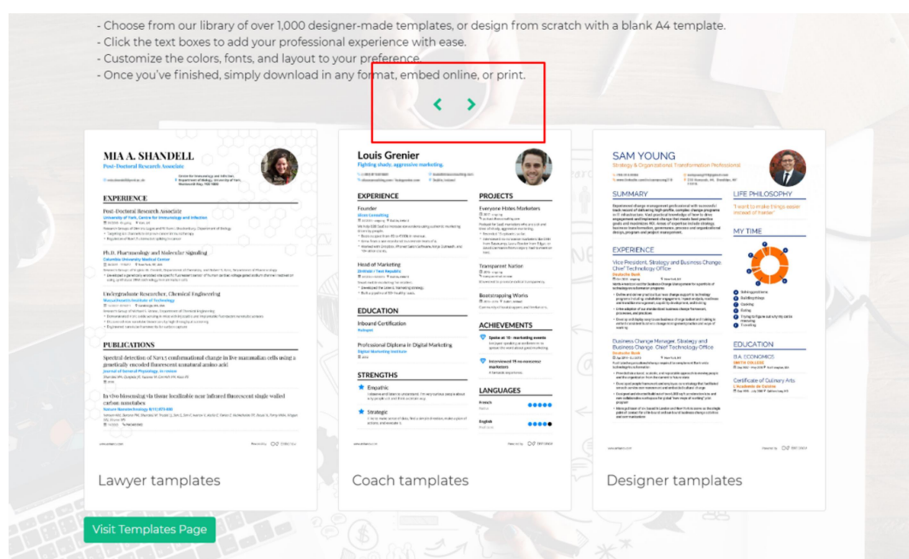

A screenshot of a 'Register' modal form. The title 'Register' is in green at the top left, with a close button 'x' at the top right. The form contains four input fields: 'Your First Name', 'Your Last Name', 'Your Email', and 'Password'. Below each field is a red error message: 'Name cant be empty', 'Last name cant be empty', 'Email field cant be empty', and 'Password must be between 6 to 15 characters which contain at least one numeric digit and a special character'. There is a checkbox for 'Subscribe to our Newsletter!' and a blue 'Register' button. At the bottom, there is a link 'Already have an account? Login'.

Klikom na close dugme u gornjem desnom uglu forme gasi se forma. Takođe, klikom negde van forme zatvaramo formu. Korišćenjem JS-a vrši se validacija forme. Za Name I Last name proveramo da li su polja prazna. Za Email proverama da li je polje prazno I da li je uneti format validan. Za password proveramo broj I tip karaktera. Uneti string mora biti između 6 I 15 karaktera, ora sadržati jedan broj I jedan specijalni karaktera. Subscribe checkbox nije obavezan. Ukoliko izgasimo formu polja se kliruju. Ako je forma uspešno popunjena pojavljuje se poruka da je registracija uspešna i da proverimo email. 3 sekunde nakon uspešno popunjene forme modal se gasi.

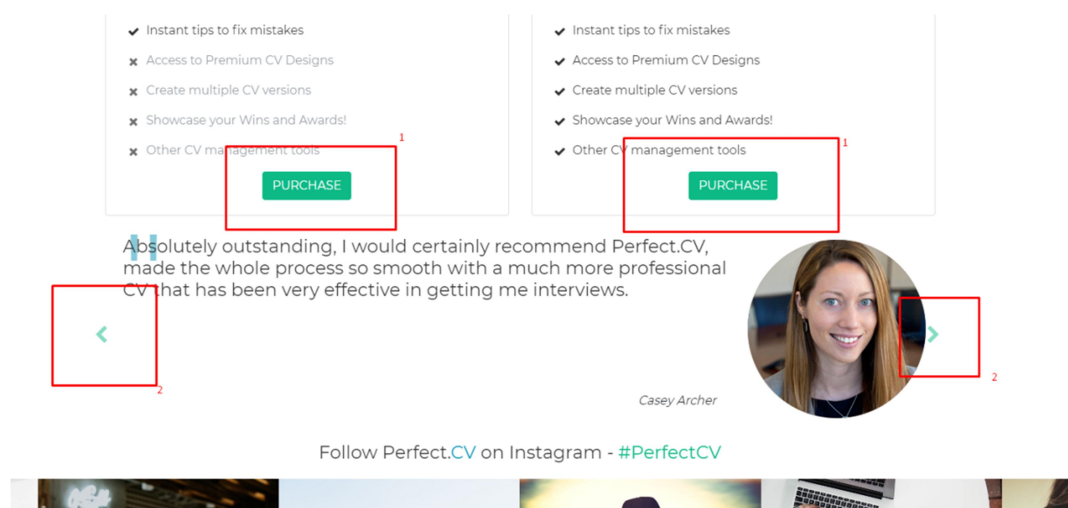

Klikom na Register CV Now otvaramo formu za registraciju.
